Wedding arrangement

Our wedding arrangement allows you to enjoy your celebration to the fullest, because we have thought of everything. Do you have any other wishes or do you already have a certain idea? We would be happy to make you an individual offer:

This makes the journey more relaxed and everyone can celebrate for as long as they like. There is no reason for a sudden departure and no need to organise transport home in the middle of the night.

A cosy breakfast for everyone the next morning also brings the group together again – an opportunity to bring a great celebration to a successful close.

For more information, see our reservation conditions on page 9.
